- 2:00 pm Cook-Off Voting and Awards

We invite all Chili Masters, and those with a great recipe to sign up by April 26th for the 4th Annual Little Whale Cove Chili Cook-off. Make your favorite chili at home and bring in a crock pot or other slow cooker for warming to the Rec Center by 11:45 am. LWC will provide the condiments (onions, cheese, etc.), tasing bowls, spoons, and paper products, coffee, water and ice tea. You are welcome to bring your own beverages!

To enter the competition, send your name and contact info (email or drop-in) to Dena or Jana at the gatehouse no later than April 26th so we can finalize the plans. Let us know if you have any "special needs" other than an electrical outlet to plug into.

This is a great way to show off your recipe and skills for the neighborhood, and maybe get your name added to the plaque.
