

When all else fails –

**A Walkie-Talkie
Works!**

**Be prepared,
get yours
today!**

**GMRS Radio
(Certified)**

FRS Radios

- In the event of a community incident/disaster, emergency radios can be used to communicate, inform, & broadcast helpful/life-saving information.
- During an event, turn on your radio to GMRS/FRS **Channel 15** at least 5 minutes before the hour.
- For additional information talk to your Safety Captain, click on “Emergency Preparedness” on the LWC website (<https://lwcha.org/>), or scan QR code.
