Resolution:

**Affirmation of cooperative relationship with the
Little Whale Cove Homeowner's Association Board of Directors**

Be it resolved that the Little Whale Cove Condominium Owner Association (LWCCOA) Chair will sign and send the following letter to the Little Whale Cove Homeowners Association (LWCHA) board:

To the LWCHA Board sent via email on July 29, 2023

Dear LWCHA Board Members:

At your most recent LWCHA board meeting, one of our LWCCOA board members stated that the LWCCOA's relationship to the LWCHA is adversarial. We write to make clear that this was an inaccurate statement borne from a misunderstanding, and does not in any way represent the LWCCOA board's attitude, position, or wishes. We look forward to our continued productive and cooperative collaboration with the LWCHA board and all of the homeowners represented by both boards.

Signed,

Scott Whitmire
Chair, LWCCOA board
